ACTION SINCE LAST REPORT

My plans for the year have been formulated along with those of my Zone Chairmen. I have also informally met with my fellow Region Chairmen to discuss our plans for the year so that there is coherency in our approach.

A very informative meeting for all Incoming Presidents in Region 3 was held in Market Harborough on 27th July at which six incoming Presidents attended. There was a good blend of experienced and novice Presidents which resulted in good debate, interaction and shared ideas which hopefully will benefit all during their year in office. My thanks to Lion Phil White for yet again another excellent training session and to Lion John Bush for his help in arranging the meeting venue and his support on the evening.

My Zone Chairmen have planned their meetings and it is my intention to attend as many of them as possible. Lion Josh (Zone I) held her first meeting on 22nd July which I was unable to attend being out of the country on business. I will endeavour to do better next time.

Region 3 Membership Officer Lion Chris Haynes and I have discussed membership issues within the Region and will be working with the two branch clubs, Brixworth and Market Harborough on membership drives in the autumn and spring. Rushden and Hinckley will also need support this year and we are exploring the feasibility of reforming a club in Daventry. I attended the MERL committee meeting on 29th July at the Arden Hotel.

Zone Chairman Jackie and I have attended the President's handover of Northampton 80 (24th June), Northampton (12th July) and Wellingborough Lions Clubs (20th June) and enjoyed fun and fellowship at each event. We attended the District Governor's Handover Lunch and intend to attend as many of the Club Charters in the Region as possible.

OBJECTIVES

- To get use to the fact that since last doing this job the Region now consists of three Zones!
- To support my three Zone Chairmen with their work throughout the year
- To work with and for the Clubs in Region 3 in serving the community.
- To enjoy friendship and fellowship within the family of Lions

ACTION SINCE LAST REPORT

I attended the Zone Chairman's training session at HQ in April, and my plans for the year are now in place. I have also had several meetings with the Region Chairman (which isn't too difficult).

I have started my club visits for the year by attending Northampton Lions Club July business meeting. Unfortunately their newest member has resigned from the club so that he can be more involved with his church. I will have completed all my first visits to the zone clubs before my first zone meeting in September.

It is my impression that the clubs in Zone H have lost their way a bit, so it is my intention to try and get the fellowship and interest in the District and its activities back into the zone. My Zone meetings will return to my previous format as a family oriented event with a mixture of business and social.

Socially, I have attended the handovers of Northampton and Wellingborough Lions Clubs and did a very efficient job in handing over the Northampton 80's President's chain to myself. I also attended the District Governor's handover in July.

OBJECTIVES

- To work with the clubs in Zone H in serving their communities.
- To get the fun and fellowship back into the zone.
- To assist the clubs in their efforts to increase membership.

Zone Chairmen - Additional Information
