ACTIONS SINCE LAST REPORT

Following the last cabinet meeting I wrote a letter to the District Governor Elect apologising for what he perceived to be a challenge to his authority during the last Cabinet meeting. I have to point out that I was only doing my job of bringing the covenant to the notice of not only the Cabinet but also the first and second Vice District Governors who were both in the room. As I have received no reply to this letter I can only assume that my apology was unacceptable.

Also in the letter was a request for guidance as to what I should advise the NSL Board regarding the covenant as I did introduce Gill Kendall at the Board Meeting last year as the Deputy NSL Officer. As stated above, not having received a reply I was left with no option, when questioned, but to advise the NSL Chairman that my incoming District Governor had acted without full knowledge of how NSL operates and also prematurely. The information required is in the District Governor's Handbook and would have come to light a little later in the year.

OBJECTIVES

To complete my term of office to the best of my ability and to afford a smooth transition to the incoming NSL Officer, Lion John Barnes and introduce him at the Nottingham Board Meeting in September.

ACTIONS SINCE LAST REPORT

The Europa Forum this year will be held in Tampere Finland 17th – 19th September 2009. The website is live at www.europaforum.fi

Direct flights to Tampere are available with Ryanair from Stanstead.

I have received information from the MD Europa Forum Officer which I have e-mailed around the District and I have also received a DVD presentation on Tampere which I have shown at District Convention. Investigated putting this onto the District Website but file would be too large.

OBJECTIVES

To publish information to the District as it becomes available.
