## ACTIONS SINCE LAST REPORT

### **District Convention**

The Convention was an excellent event which I thoroughly enjoyed. Thanks to everyone involved in the organisation

### **Attended 4<sup>th</sup> and Final Council of Governors Meeting in Southport, and MD Convention**

The Convention was an experience, a good one. Femi's introduction to the Convention was well supported by our District. His choice of music "What ever will be, Will be" implies a relaxed approach to his year in office, no one could have worked harder to prepare for the year.

I was pleased to be elected to be Chairman of the Council of Governors 2009/2010. It is 25years since Mike Cooke was Chairman the last person from 105M to occupy the position

### **All Club visits will have been completed by Cabinet meeting**

My objective was to complete all visits before 105M Convention, failed by 3.

### **10 Editions of DG News letter have been issued, plus 1 special edition**

Pleased with response to Newsletter, but comments always welcome
