

11. IPDG & VDG REPORTS

NAME: IPDG Andy Pemberton
OFFICE: Immediate Past District Governor
DATE: 15th November 2009

DECISIONS REQUIRED:

None

ACTIONS SINCE LAST REPORT:

I am afraid I have contributed little to the District in the last 3 months, apart from having driven DG Femi to Club visits, and attended meetings of the new Coventry Club. The rest of my time has been spent on Council matters.

I am aware that the MD Conventions Officer has visited The Metropole to obtain quotes for 2012 MD Convention. No further action is required at present

OBJECTIVES:

Be available to help DG Femi when and if required.

NAME: Lion Neil Chisholm
OFFICE: 2nd Vice District Governor
DATE: November 2009

DECISIONS REQUIRED:

None

ACTIONS SINCE LAST REPORT:

Since my last report the Alcester and District Branch Club has been formed and I enrolled 7 members to date and a few more are waiting to join. I have been to all their meeting to date including an entertaining quiz evening.

There has only been one training session for 2nd Vice District Governors this year which I attended.

The monthly meeting with the DG and 1st VDG are ongoing and are proving useful.

I have been to two Finance and Administration meetings and I have chaired the District Long Range Planning meeting. I represented the District (in Mavis Cooke's absence) at the Multiple District Long Range Planning meeting in September. A further meeting is taking place at the end of this month. (See Long Range Planning report.)

Along with the 1st VDG I attended the Multiple District Global Membership Team Training session at the end of August.

The third Coventry Club Drinks and Nibbles evening took place in September and I have been going to all their meetings to date. It looks likely that a club will be formed in the New Year. I am also involved in initial talks about a new club in Leamington Spa. A meeting is planned for the end of this month.

I have attended the MERL meetings.

I did represent the DG at Warwick Lions Charter Night and I am actively involved in the Convention 2011 arrangements which are being organised by the Club.

The TV with an integrated DVD player has been used on a number occasions over the last few months showing the new "The Lions Story" Video which all club Lions should see. The TV is now back with the District Vulnerable Persons Officer whilst he makes his visits to clubs.

Last but not least I did enjoy Autumn Forum.

OBJECTIVES:

- 1) To represent the DG at District rounds of Competitions.
- 2) To be line manager of the Region Chairman
- 3) To chair the Long Range Planning committee
- 4) To attend a Zone meeting in each Zone.
- 5) To attend MERL and F&A committees.
