

LIONS DISTRICT 105M

CABINET REPORT

Name PDG Lion President Ron Cross
Office LCIF Officer
Date August 2008

DECISIONS REQUIRED

Collectively as a Cabinet, no decision required.
Individually, I would like all Cabinet members to become Contributing Members of LCIF.

JUSTIFICATION FOR DECISIONS

LCIF is a very important part of Lions Clubs International's global effort at creating a difference where a significant difference is needed. By making a relatively small personal contribution, Cabinet Members can demonstrate their support for the Foundation and its activities.

ACTIONS SINCE LAST REPORT

I have made contact with the MD LCIF Officer Lion Viv Morgan and LCIF's Liaison Officer PDG Lion Stefan Erentraut. Both contacts were in relation to conflict of records regarding sums of money banked by a Club towards future Melvin Jones Fellowships

OBJECTIVES

To ensure that all Clubs have a person to person contact to interpret the vast amount of information that is emitted from LCI in many forms nowadays.
To provide assistance with any Club who wants help with any matter associated with LCIF.
To increase the number of Contributing Members in District 105M

CABINET REPORT

Name Alan James
Office North Sea Lions
Date 18th August 2008

DECISIONS REQUIRED

Permission to press for North Sea Lions payments as vigorously as I did last year, which was obviously very successful and I would like to thank the clubs individually whilst holding my hand out yet again.

JUSTIFICATION FOR DECISION

To keep the funds high and ready for payment when required

ACTIONS SINCE LAST REPORT

I have circulated both projects, one from Bushby and the other from Coventry Godiva Clubs to the Board Members in preparation for the meeting in Leewarden, Netherlands on 6th and 7th September. I have arranged flights from Spain on Friday 5th September to Rotterdam returning on 7th September to continue my holiday.

18.8.08

I have today been requested by President Gita of Coventry Godiva Club to withdraw their project. I have advised District Governor Andy of the circumstances and should he wish to expand further on this subject in my absence I am sure he will provide any information required.

OBJECTIVES

To try my best to get my project accepted by NSL and to keep promoting NSL within the District every bit as strongly as I have in the previous two years.
